The Heartfelt Dreams Charity Golf Classic always promises to be a day filled with fun and camaraderie in support of congenital heart defect patients of all ages, like baby Joey. All proceeds benefit Heartfelt Dreams Foundation in its mission to enhance the treatment experience for congenital heart defect patients and their families through emotional, educational, and financial support, while advancing CHD awareness and education within the medical community.

If you are unable to golf, please join us for lunch and the silent auction; tickets are available for \$30. Donations to Heartfelt Dreams Foundation are also greatly appreciated and can be made through our website. Thank you! We hope to see you on July. 29th!

Proceeds from this golf tournament will assist baby Joey to receive necessary surgery for his CHD. Please help support baby Joey and his family!
